Supplemental Type Certificate

Number SR09260RC

This certificate issued to

Tech-Tool Plastics, Inc.
7800 Skyline Park Dr.
Fort Worth, TX 76108

Certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 6 of the Civil Air Regulations.

Original Product -- Type Certificate Number:

H3WE

Make:

MD Helicopter

Model:

369; 369A; 369D; 369E;
369F; 369FF; 369H; 369HE;
369HM; 369HS; and 500N

Description of Type Design Change: Installation of forward door and aft door bubble type windows in accordance with Tech-Tool Master Drawing List No. 369-3500-101, Revision IR, dated November 11, 2000, or later FAA approved revision. Tech-Tool Plastics, Inc. Rotorcraft Flight Manual Supplement FMS TTP-500-01, dated February 7, 2001, or later FAA approved revision is required.

Limitations and Conditions: The forward door and aft door bubble type windows are a direct replacement to the original, forward door and aft door windows. The installer must determine compatibility of this design change with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data, which is the basis for approval, shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: November 14, 2000

Date reissued:

Date of issuance: February 07, 2001

Date amended:

By direction of the Administrator
