Number SR02867AT

This certificate issued to TECH-TOOL PLASTICS, INC
7800 Skyline Park
Fort Worth, TX 76108

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : H13EU

Make : Eurocopter Deutschland GMBH;

Model : MBB-BK 117 A-1, A-3, A-4, B-1,
B-2, C-1, C-2

Description of Type Design Change:

Installation of windows in accordance with Tech-Tool Plastics, Inc. Master Drawing List No. BK117-1000-100, dated 23 September 2003, or later FAA approved revision.

Limitations and Conditions This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse affect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 10, 2003

Date reissued : May 08, 2008

Date of issuance : May 26, 2004

Date amended :

By direction of the Administrator
